先抓包然后点击下一步

The screenshot displays a web browser window with two tabs open. The active tab shows a login page for '教学质量管理平台' (Teaching Quality Management Platform). The page has a light blue header with the platform name and a navigation bar. The main content area contains a form titled '修改密码' (Change Password) with fields for '身份' (Identity), '姓名' (Name), and '学号/工号' (Student ID/Employee ID). Below the form is a blue button labeled '下一步' (Next Step). A note at the bottom states: '注意：请填写本人真实信息，否则将校验失败！' (Note: Please fill in your real information, otherwise the verification will fail!).

The second tab shows the Burp Suite Professional interface. The title bar reads 'Burp Suite Professional v1.7.37 - Temporary Project - ting'. The interface includes a menu bar (Burp, Intruder, Repeater, Window, Help, Turbo Intruder), a toolbar with various tools (Target, Proxy, Spider, Scanner, Intruder, Repeater, Sequencer, Decoder, Comparer, Extender, Project options, User options), and a main panel displaying a request to 'https://scau.mycospxk.com:443 [198.18.1.215]'. The request details are shown in raw format, including headers like 'Host: scau.mycospxk.com', 'User-Agent: Mozilla/5.0 (Windows NT 10.0; Win64; x64; rv:98.0) Gecko/20100101 Firefox/98.0', and cookies.
